PHOTOGRAPHY

2024 WEDDING PRICEBOOK

Hi there, I'm Carlos Vicente

And would be incredibly honoured to be a part of your day.

To tell a bit of who I am, I've photographed over a hundred Weddings in my eight year career as a Wedding Photographer. I love spending time with my clients and getting to know them and chat about their vision for what is going to be the best day of their lives.

I find joy in helping clients with their planning while helping make everything seamless, dynamic and fun. Planning to prepare always guarantees success!

As their Photographer, I give my all to them from beginning to end, exceeding their expectations.

Thank You so much for taking interest on what I do and let's work together and make memories that will last forever!
